Hi Paul,

Thanks for draft this letter and we can take it from here! I'm very excited about the CWA JD work you have been doing with Jean and Gail and Mike F. This is the most detailed work we've seen to date from DWR and it is good thanks to your involvement.

I'll follow up with Jean on whom to send it to at DWR.

Subject: draft letter for DWR

Hi: at Karen's request, I have drafted a letter for DWR that will be our concurrence on the JD and condition assessment approaches.

Feel free to modify the letter to your heart's content.

I left a message for Jean asking her to whom this letter needs to be addressed, but I haven't heard back yet. I will be out tomorrow through Aug 8th.

Erin, I trust this letter is something you can work with without too much fussing.

Thanks for carrying the torch while I am away.

Paul
